Their enthusiasm and confidence give them big, outgoing personalities. Those born between April 20–30 are Bulls of Taurus. Peter the Bunny

He was born one of a litter of pretty white bunnies
 With all the amazing bunny features
 Pink eyes, noses that quiver
 And long pink and white ears
 They all grew so fast and soon were free
 To hop and play and dig burrows
 But Peter looked different some how
 Which you really couldn't notice
 Until he stretched his ears back
 They looked extra long by at least two inches
 With extra big feet when compared to all the others

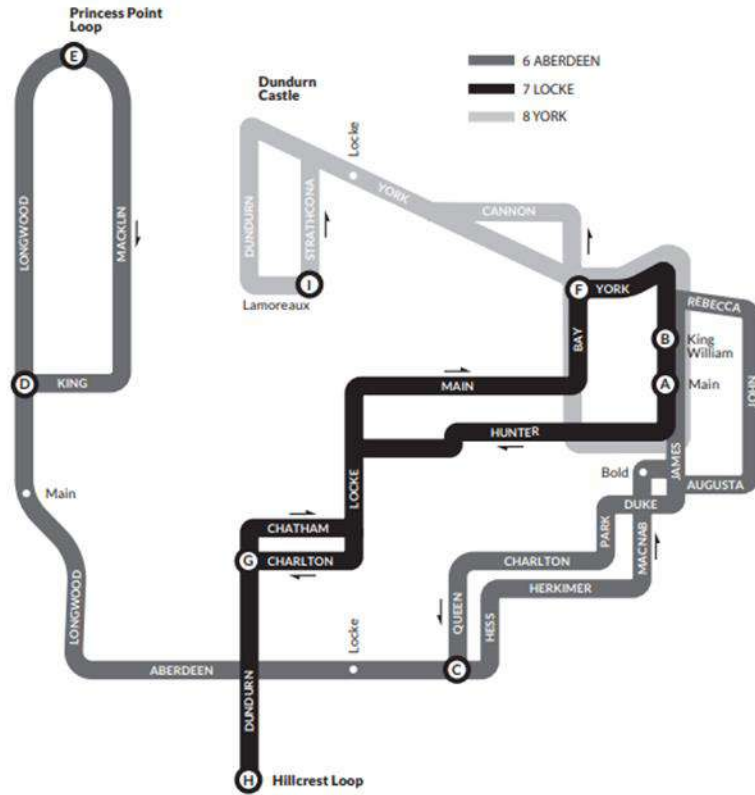

Mother Bunny was so excited
 She knew what all bunny mothers know
 She'd given birth to a special bunny
 That was destined to be famous
 The magic Easter Bunny

So to the magic burrow he was sent
 The burrow that held all the secrets
 To learn how to make, deliver and hide
 All the coloured eggs and chocolate treats
 Needed to fill the baskets of excited little tots
 Who searched for them Easter morning

So to all my fellow Aberdeen residents
 My special wish is that
 When you fall asleep this special Easter eve
 In your dreams you may pleasantly recall
 The Easter mornings spent searching for
 The treats hidden by the famous
 Peter the Easter Bunny

The Kiss

Types of Kisses

A kiss or a peck on the cheek is fine when greeting an old friend. Mom and dad kiss with love on the lips. I am sure you all have French kissed. Oh come on, sure you have!

It has been ninety years since I received my first kiss. Family who were there told me the following: my mom who was pregnant had just delivered me. I was wrapped in a blanket and placed into mom's arms. She gave me a big kiss and said, "he is perfect". I can't argue with perfect; moms know. I had many kisses when young on my cheeks when friends visited. I was not fussy about them.

When I was 8 or 9, my next step was to find a willing girl for a kiss. The school I attended had a big yard to enjoy recess in. During one of the recesses, I nervously approached a group of girls. No, I could not ask them if someone wanted a kiss. Then I saw one standing by herself. I ran over, did not ask, and planted a kiss on her lips. That started the other girls chirping "I know your girlfriend". Now in a bit of a panic, I ran and mingled with the boys as we went back to the classes.

Over the next few years I managed to kiss a few I knew; most girls won't kiss you before checking you out, then deciding if you are kiss-worthy. Later in life for me came the magic words 'you may kiss the bride'. These days when walking around with puckered lips I am whistling.

That's it from Mr. Perfect,
Ken D.
