Happy Father's Day.

This Father's Day, we take time to celebrate the remarkable men who have shaped our lives in so many meaningful ways. Fathers, grandfathers, uncles, brothers, mentors, teachers, friends, neighbours. Men who have offered guidance, support, and love. At Adelaide Place, we are surrounded by men whose lives are filled with stories of resilience, kindness, and quiet strength.

To all the men of Adelaide Place:

Whether you raised a family, mentored a neighbour, served your community, or simply offered a listening ear or a shoulder to cry on, your presence has left a lasting impression on the hearts of those around you.

You are the storytellers who keep traditions alive, the role models who lead with integrity, and the friends who bring comfort and joy. Your wisdom, humor, and compassion continue to uplift and inspire.

We invite the men at Adelaide Place to come together on Father's Day on the Terrace at 2:00pm for Lawn Games and Treats. More information is on page 2.

Father's Day – June 21st - We invite all the men of Adelaide Place to join us at **2:00pm on the terrace** for lawn games and treats! Cards and gifts will be handed out at lunch. Come out to the terrace to enjoy, a men's-only social hour, and play a few active games. If you are going to be away on Father's Day, please call the Recreation Department at ext. 8155 to arrange a time to pick up your gift.

Lunch at Murphy's Lockside Pub in Fenelon Falls - On June 12th, we will be going out for lunch at Pie Eyed Monk. They are a local restaurant that brew their own beer in house! Enjoy some yummy pub-grub, taste some local beer on tap and, if you love it, you can even purchase some of their beer in cans to bring home with you! Call ext. 8155 to reserve your spot.

Canada Day Picnic on the Terrace! We're pleased to bring back our Canada Day picnic on the terrace, July 1st 11:30am-1:30pm. All residents are welcome - No sign up required and no cost to attend. We will be serving sandwiches, salads and fresh fruit. Seating will be available on the terrace, or you are welcome to bring your lunch inside and eat in the dining room. **Please note people may be accessing the terrace through the dining room doors during lunch time.** Stick around after your meal and if you aren't coming out for the lunch, hopefully you will come out afterwards for our Canada Day celebration. We'll have cake, punch and music with John Turner, playing all your Canadian and East Coast favourites!

Outdoor Activities - It's that wonderful time of year again when we enjoy some activities outside! There are games available for residents to use anytime on the terrace. Check the recreation calendar to see where our outdoor programs are taking place. "NP" is the North Patio, just outside the Activity Room. "TR" is the Terrace located on the North side of the building between the Retirement and Senior Living Community. There are doors leading to the Terrace from the dining room, the walkway, the SLC Lounge and the Party Room. If an outdoor activity must come indoors, it will move to the Lounge or Activity Room.

Resident De-Cluttering Swap is Back!

Looking to get rid of some stuff? Back by popular demand, we are hosting another resident stuff swap in both the Retirement and Senior Living Community lounges starting Thursday, June 26th at 10am and ending Monday, June 29th at 3pm. Any resident may bring gently used items to either lounge, where tables will be set up to display donated items. Residents may also take any of the donated items on display. The idea is to help you get rid of things you no longer use or pick up some new-to-you items at no cost – it's a win-win! At the end of the event, any items left over will be donated to the Diabetes Association. Keep an eye on the elevators and lobby for posters with more information closer to the event. If you have any questions, please call the recreation department.

Foot Care & Blood Pressure clinic at Adelaide:

Marie is a Footcare Nurse and sets up shop monthly in the Fitness Centre for convenient in-house footcare treatments.

Our monthly Blood Pressure Clinic is on the 4th Thursday of every month. **This month that falls on June 25th.**

Call the Wellness Department (ext. 8185) for information or to book an appointment.

Elevator Safety & Courtesy

Please help keep elevators safe and pleasant for everyone.

- Use buttons only to open or close doors
- Please don't hold doors open to chat — the hallway is much better for visiting (and the elevator won't feel left out!)
- Never use arms, legs, walkers, or mobility aids to stop doors
- Allow others to exit first
- Face forward when exiting- do not back out
- During fire alarms, be mindful of those with personal safety devices and allow them to get onto the elevator first.

PRIDE MONTH - a time to celebrate the rich tapestry of identities that make up the LGBTQ+ community. It's a season filled with colour, compassion, and connection, and here at Adelaide Place it's also a time to reflect on the importance of inclusion, respect, and the joy of living authentically at any age. No matter who you are or who you love, you are welcome here. Let's celebrate the beauty of diversity and the strength of community—this month and always. We have several movies and documentaries this June in honour of Pride Month.

Residents can also sign up for transportation to the Queer Wellness Fair this Friday June 5th. With more than 25 agencies to visit, including Adelaide Clinic, HEAR Canada, Kawartha Lakes Health Team, Jardine Funeral Home, Kawartha Care Wellness Centre, Mind Garden Wellness, Rootwork Reflexology, Umbrella Community Health Network, and many, many more!

While PRIDE officially starts in June, Linday will be celebrating with several community events in July, including Pride in the Park on July 11 at Victoria Park. In JULY, we will be welcoming Kawartha's own Betty Baker to join us for a special event BINGO in the Senior Living Community Dining Room at 2:00p.m! She will be calling bingo and singing a few songs in full costume! There will be lots of great prizes to be won! We'll also be collecting donations for **Kawartha Lakes Pride**.

Raising Caterpillars into Butterflies and Gardening! We will be receiving 10 Painted Lady caterpillars that we will be helping to raise and transform into beautiful butterflies! Painted Ladies are a symbol of hope and resilience. They eat invasive weeds, pollinate gardens, AND they have the longest migration journey spanning over 14,500kms from Africa to the Arctic and back. They are set to arrive here the first week of June. You will see this on the calendar for June 2nd at 3:00p.m. on the North Patio, just outside the Activity Room. If they have not arrived by then, we will still gather on the patio (weather permitting) enjoy some great mocktails and have a chat while enjoying the garden. We also have some flowers left to plant as well at that time, if anyone is interested in helping to plant some pots (table height, no crouching on the ground!). We made sure to plant lots of Monarch Magic, which butterflies LOVE! We're sure it will attract many to our garden this season! Once our butterflies are mature, we will release them into the wild.

The UN-Christmas Christmas Show!!

Information Session

Our introductory meeting for the above event will be held at 3:00p.m. on Monday, June 1st in the Activity Room- **everyone is invited.**

If you would like more information about this event, PLEASE attend the meeting. Don't worry, you are under no obligation to participate by attending this information session. It is meant for residents to learn more about what it is and offer suggestions and feedback. It will be an interactive event, so please come with all your questions. This is NOT a play! It more closely resembles a Talent Show

In order for this to be a success, we need to hear your input and ideas. Perhaps you know a talented individual, or you yourself would like to help (on stage or behind the scenes) - please let us know. We need your input! What would you like to see? Who do you know?

See you on the 1st!

Exercise Programs Explained!

It's Seniors Month, and the theme this year is **Let's Get Moving!** A well-rounded senior workout plan can include strengthening, flexibility, and balance activities like walking, abdominal contractions, swimming, wall pushups, daily stretches, and single-leg balance holds.

If you are interested in getting more involved than you currently are, we want to help get you there! There's a TON of options to help you engage in more physical activity. Whether you exercise sitting or standing, move slow or move fast, want to stick to dry land or move in the water, need structure, or just fun and games, we have something for you!

If you have further questions or want some more personalized support, speak to someone in Recreation, or Wellness. If you're ever unsure about your ability to join one of our programs, you should always speak with your doctor for best practices and safety precautions.

Express Stretch: Saturday at 11:15a.m. Gentle 15-minute seated stretch program with quiet music, focusing on greater joint movement and improving posture, helping to release muscle tension and soreness and reduce the risk of injury. Residents choose the level of stretching intensity.

Strength Exercise Classes: Mon - Fri at 9:45a.m. Engaging your heart, lungs, and brains, through specific movement combinations set to upbeat music. Beginning with a gradual warm-up, followed by focus on cardiovascular endurance and muscle tone, then ending with a gradual cool down and full body stretch. You can decrease or increase the intensity of this program by choosing to sit or stand. You can also do the program without weights or resistance to decrease the intensity.

Gentle Seated Exercise Classes: Mon & Fri at 2:15p.m- Fully seated exercise class beginning with a dynamic warm-up before progressing into a head-to-toe stretch. This class focuses on preserving flexibility and range of motion, using slower, more relaxing music. We also spend more time exploring the range of motion of major joints and muscles.

Chair Yoga: Tues. at 2:15p.m. in the Theatre - Engaging in strength, flexibility, and overall well-being. It may be gentle, but it's very effective. This class follows Yoga videos which can be done seated or standing, depending on your ability and comfort. Movements are done at a slower and steady pace. Classes begin with a gentle warm up and end with a mindful breathing and a cool down. Yoga helps keep your mind sharp, body strong and can even improve sleep!

Tai Chi: Thurs. at 2:15p.m. in the Theatre - Focusing on improving balance, reducing falls, strengthening muscles and increasing flexibility and stability. It can also improve your core strength to enhance stability and reduce back pain. Movements are very slow and methodic. Participants can remain seated throughout the class or choose to stand.

Music and Exercise: Wed. at 3:15p.m - A member of the Rec team leads the class following along to a video. Moves are done fully seated to a variety of upbeat music, so keep the class fun as well as active. Participants can keep up the speed along with the video instructor or follow along at a slower pace with Alex or Kathryn. The focus is on strengthening your legs and arms without standing or using weights, while having FUN!
