Remembrance Day is the day when we all pay tribute to the people who have fought and fallen to protect our freedom. Adelaide Place is honoured to still have veterans living here with us. We thank all the veterans and are sincerely grateful for their service and sacrifice. Please take a moment this month and come by the Wall of Honour in the Activity Room to gaze among the faces of the amazing Veterans of Adelaide Place, past and present.

We honour these veterans, not only in our Remembrance Day Service on November 11th, but also by proudly wearing a poppy from Nov. 1st through the 11th. Pick yours up at the front desk. After the ceremony, residents are welcome to place their poppy on the wreath by the fireplace.

LEST WE FORGET

Our Ceremony at Adelaide will be in the Retirement Lounge on Wednesday, November 11th at 10:30am.

If you are interested in being a part of the service, or are a veteran attending the service, please speak with Kathryn at ext. 8155 as soon as possible.

If you are a veteran, please call Recreation at ext. 8155, even if you cannot attend our ceremony. Our local Legion branch has asked us to provide them with the number of veterans living at Adelaide Place.

Un-Christmas Christmas Show is Here!

This year's Un-Christmas Christmas Show is shaping up to be an unforgettable variety show, and you won't want to miss it! Over the past three months, residents and team members have been working hard to prepare an entertaining lineup featuring skits, singing, comedy, poetry, piano performances, and more. There will be two opportunities to enjoy the show:

Monday, November 23 at 2:30 p.m. or Thursday, November 26 at 7:30 p.m.

To allow as many people as possible the chance to attend, we kindly ask that you choose only one performance. Family and friends are welcome! Complimentary tickets are available in advance through the Recreation Department, the Front Desk, or from Marion at ext. 4411. While tickets are free, we encourage guests to make a donation to the Lindsay Little Theatre. All proceeds from donations and 50% of snack and beverage sales during the performances will be donated to support the theatre. Tickets are needed to determine the seating plan for each show.

As an added bonus, everyone who picks up a ticket will be automatically entered into a door prize draw. There will be one winner at each performance. The prize includes two tickets to the Lindsay Little Theatre in 2027, along with a concession voucher to enjoy during the show.

Back by Popular Demand: Christmas Decoration & Item Swap: From Nov. 27-30, tables will be set up in the lounge for residents to place unwanted items for others to browse and take home. It's a great opportunity to share holiday decorations and household treasures while finding something new for yourself. Accepted items include clothing, household items, books, seasonal decorations, and other small reusable items. Any items remaining at the end of the event on Nov.23 will be boxed up and donated to charity. Please note that DVDs, VHS tapes, televisions, radios, and other electronics cannot be accepted as part of the swap.

On Monday, November 17th, join Mark and Jess for our Food Forum meeting. They want to hear your honest feedback and suggestions for meals at Adelaide Place. They will also provide details and go over any changes or updates in the kitchen.

This is an open food forum; all residents are welcome to attend and participate in the discussion. If you have anything specific you would like them to examine for this meeting, contact Jess or Mark in advance with your recommendations.

Knit Wits Collection Draw!

Once again, the Knit Wits have been hard at work knitting and donating for charity!

On November 4th and 5th from 12p.m. until 4:00p.m, the Knit Wits will be in the Retirement Lounge selling Raffle tickets for the chance to win one of various prizes made by the Knit Wits (just in time for Christmas gifts!). 50% of the proceeds will be donated to the Christmas Family Sponsorship (information on page 8) and the other 50% will be used to purchase more yarn.

The Nashville Sound

Great Music from a Memorable Time

Tuesday, November 17th, at 3:00p.m.
In the Retirement Community Lounge

It was in the 1950s and 60s that guitarist, Chet Atkins and record producer, Owen Bradley introduced the Nashville sound to country music, creating a new, softer sound.

Performers include Glen Campbell, Patsy Cline, Merle Haggard, Johnny Cash, Anne Murray, Roger Miller, Bobby Bare, Ray Price and Willie Nelson.

Country rock is the current western music sound. The Nashville sound was a unique and major change in country music and still has its fans.

We hope you're among them.

Free Mocktails and $4 Cocktails will be available in the Activity room, should you like to sip on something sweet while you enjoy the music!

Animals on a Short Leash: For safety, pets must be kept on a leash at all times when out of your suite. PLEASE keep your pets on a short leash. This includes animals who live here and who are just visiting. When allowed a long leash, it can become a tripping hazard. We ask you to inform your visitors before they come about this, as they may not realize the potential risks.

Adelaide Gives Back

Our Adelaide Place community once again has come together to do great things! We are so proud to call Adelaide OUR PLACE! Our home, and our place of work. Our place to meet new people, make new friends. Our place to chat and laugh. To eat, laugh and play! To get up to GOOD! The amount of GOOD we have gotten up to in the last 15½ years is truly something impressive and we hope you are all proud of your part in it!

We would like to thank all the residents, family and friends who attended SeniorFest in September, participated in our Thanksgiving Pie Auction in October, and gave monetary or non-perishable food donations this year for the KLFS. With your help, we raised a total of **$6,000**! This money is being distributed to 3 charities: The Elder Abuse Prevention Network, Humane Society of Kawartha Lakes, and Kawartha Lakes Food Source.

Good Samaritans' Operation Christmas: We filled THIRTY Good Samaritan shoeboxes last month and donated a large bag of even more items for the volunteers to add to more boxes. We also raised $655.00! Enough money to ship all the boxes and purchase more items! These boxes will be sent to children in underprivileged countries for Christmas. For most of these children, this will be the only gift they receive. Thank you everyone who contributed and helped fill the boxes!

AND WE AREN'T DONE YET!

Sponsoring Families for Christmas: This Christmas, through the Women's Resources, we are sponsoring a single mother with 7 children, and two single women who are alone this Christmas and wouldn't otherwise receive any gifts at all.

Women's Resources assist local women and children with housing, counselling, support groups, and more! They are a wonderful local non-profit charitable organization which we are proud to support each year.

Starting November 6th, we will post the gift wish lists and start collecting donations. The list of items requested will be posted outside the Activity Room door and in the SLC lobby. All donations need to be in by December 6th. Ways you can help:

-Purchase and donate items from the list and clearly label which family member it is meant for. Items must be new.

-Donate gift wrap supplies.

-Make a cash donation, which will be used to purchase items from the wish list. CASH donations only. The donation box will be at the front desk.

-Help sort the gifts for the families and help us wrap gifts for the women on December 7th. We don't wrap the gifts for the children. The mother likes to know what they are getting and enjoy wrapping the gifts for her children.

Retirement Community's Residents' Council Meeting Report

Your Residents' Council has been very busy over the fall, and we hope you have been able to take part in a few of the activities that have been available at Adelaide Place.

As our council meetings do not take place until the third Tuesday of each month, I am only able to include an article for the newsletter every second month.

Some short-term projects that have been completed recently, including repairs to the pillars on the front porch, and new disbursal air vents in the dining room. Long term projects that are still open (don't worry, we haven't forgotten!!) are the leveling of the concrete slabs on the north patio, enhancements to the laundry rooms, the condition of the buffets in the dining room, and the cleaning/replacement of the armchairs in the lounge.

If you have an issue or suggestion which you want Council to discuss, please see a council member.

As in past years, the Resident Council will take up a Christmas collection to thank the Adelaide team for all their hard work during the year. Watch for an upcoming announcement about times and place to donate later this month.

Sincerely,
Shirley Norman
Council President
