From the Desk of.....

Welcome to the month of October. I can't believe that we are already into the Fall Season. We all know what comes next, however lets get through October before we worry about the next major holiday.

This month has many exciting events, including a Thanksgiving Day Tea with entertainment, an outing to see "Elvis" perform at the Legion, a special Illusionist performance, polling station for elections, trip to Leahy Farm in Lakefield to get pumpkins for our pumpkin carving, and a variety of entertainment including our Halloween Party on October 31 and a special performance from Trevor Baker a Christian singer and storyteller on October 13.

We are also looking at starting a games night once a month in the evening. I am looking for some volunteers who would help lead this program. Please come and see me if you are interested in helping out.

Until next time.....

Heather McGinn, Recreation Manager

Grateful for our Garden Committee

Our gardens were filled with beautiful colour this summer, and we have our dedicated resident Garden Committee volunteers to thank! Even through the exceptionally hot and dry days, they continued to plant, nurture, water and care for our flowers, creating lovely spaces for all residents to enjoy.

A special highlight was our tomato and bean gardens. It was so much fun watching everything grow throughout the summer and even better getting to enjoy the delicious harvest!

The addition of our beautiful pond made the garden even more special, helping to create a peaceful little oasis for everyone to enjoy, relax and take in the beauty of our outdoor space.

With fall upon us, preparations are underway in the first floor indoor plant room to bring some of our plants inside for the winter.

To each of our Garden Committee volunteers, thank you for sharing your time, dedication and talents with our Applewood community. Your hard work has brought so much beauty and enjoyment to our home, and you are very much appreciated!
