If you were born between May 21–31, you are a Twin of Gemini. Geminis make communicative and lively companions. Intellectual and imaginative, they are the ones to sit near at a party.

The Irresistible Iris

What is it about the iris that is so alluring? Van Gogh often painted beautiful flowers. The fleur-de-lis, a stylized iris, is a symbol associated with France, New Orleans, Florence, and even the Cub Scouts, Boy Scouts, and Girl Scouts. Perhaps it should

come as no surprise that this popular flower enjoys its own holiday on May 8.

The word *iris* comes from a Greek word meaning "rainbow," which is fitting since irises come in shades of purple, yellow, white, pink, and blue. In Japan, iris flowers are believed to ward off evil spirits, and the leaves are put in bathwater to prevent illness.

With Mother's Day fast approaching on May 12, perhaps May 8 is the perfect occasion to run to the flower shop and buy a beautiful bouquet of irises.
